

PAYMENTS AUTOMATICALLY DRAFTED
FROM YOUR BANK ACCOUNT

For your convenience.....

Creek County RWD #1 has a program that will make bill paying easy. It is the "Automatic Bank Draft". It will save you time and money.

There's:

- No check to write
- No stamp to buy
- No trip to the water office
- No worry about bills when you are out of town

Creek County RWD #1 automatically deducts your water bill from your checking or savings account each month.

How Bank Drafts work.....

- First you will receive your water bill as usual each month.
- You will have approximately 10 days to contact the water office if you have questions about the bill.
- Then, deduct the amount of your water bill from your checking or savings account records.
- The rest is handled by your bank, credit union, or savings. Your water bill will automatically be paid on the 20th of each month as shown on your bill. If the 20th falls on the weekend, the draft will be withheld until the following Monday.
- Any draft that fails to clear your account and is returned to our bank will be charged a NSF fee of \$25.00.

To enroll in the Automatic Draft Program.....

Simply complete the authorization form. Return the form and a voided blank check to Creek County Rural Water District #1, 139 East Buffalo Street, P.O. Box 406, Kellyville, OK 74039.
